About *Me*

Illuminating Stories, Entertaining the World.

Based in the heart of Mumbai, Lamp Post Studio is a dynamic and visionary production house dedicated to bringing captivating stories to life on screen. We believe that great storytelling has the power to connect, inspire, and entertain audiences across the globe.

Our Journey: The Evolution

Every great story has a beginning. Our roots trace back to Eternal Dreams, a highly successful production company founded by Sapna Chaturvedi. Under the Eternal Dreams banner, we delivered major hit television properties, most notably the massive reality show Yeh Hai Jalwa on the 9X channel.

In 2012, as the company prepared for its next big leap, Dr. Atirek Sharma Bhardwaj took over the leadership. Armed with a fresh perspective and a deep passion for the cinematic arts, he transformed and rebranded the company into Lamp Post Studio.
